SECTION
FILE No. 6-6
SERIAL No. 7

Sir,

We, the Trustees to Mr. B.K. Mariappa's charities respectfully beg leave to lay the following facts for the favourable consideration and orders of Government.

2. Mr. B.K. Mariappa, a Mysorean and a Nagartha Lingayet by caste, left by his last will, all his property worth about a lakh and half rupees for charitable purposes, subject to the payment of Rs. 60/- plus interest on Rs. 5,000/- (since increased to Rs. 100/- per mensem by compromise, as per decree of the District Judge, Bangalore) to his widow - his only heir - . The properties consist of houses landed estates, bonds and deposits in the Government Savings Bank, the Bank of Madras and the Bank of Mysore limited.

3. Efforts are being made to collect the moneys due to the late Mr. B.K. Mariappa with as little delay and cost as possible. A sum of Rs. 32,663/- has already been collected and deposited mostly in the Government Savings Bank, Bangalore District with the exception of Rs. 4,637/- deposited in the Bangalore Central Co-operative Bank in the name of Mr. H. Ramaiah, the Managing Trustee of the charities. Also a sum of Rs. 11,000/- has already been deposited by the late Mr. Mariappa in the District Savings Bank and Madras Bank. Both these amounts are now available for the said charities. We hope other debts of the estate will also be recovered in due course.

(3) 14

4. During the life time of the late Mr. B.K. Mariappa, the gentleman, young as he was, about 35 years, was conducting several charities himself by way of providing free boarding for deserving students (Brahmins, Lingayets and other non-Brahmins) quite unostentatiously and in some cases by helping them with school fees and books.

5. His main desire was to give a permanency to his long cherished intention by handing over the entire assets to a respectable body of public-spirited and God-fearing citizens of Bangalore, who, while scrupulously adhering to his wishes, are sincerely desirous of so discharging their functions as to enhance the utility and scope of the said charities.

6. Consistant with his desire to secure a permanency to his charities, he has already made provision for putting up a building to be situated in a central locality in this City, at a cost of about Rs. 15,000/- to be supplemented by any further necessary amount with the generous help of the Government. The building will be used as a Free-Boarding and Lodging House by 45 or 50 deserving students of all Hindu communities (Brahmins, Lingayets and other non-Brahmins). For this, he has set apart a sum of Rs. 15,000/-

7. Out of this sum of Rs. 15,000/- thus set apart for the building, a sum of Rs. 4,000/- has already been paid to the Municipality for the four cottage sites allotted to the Hostel in the 3rd main road, Chamarajpet and as a further sum of Rs. 1000/- may perhaps have to be paid for the same after the appeal preferred by the owner of the land against the award of the Land Acquisition Officer, is disposed of, the balance of Rs. 10,000/- only will be available for the building.

(S 15/2)

8. With this limited amount, it would not be possible to construct a decent building to accommodate 45 poor deserving students of different communities with a Library and Reading Room and a debating Hall, with the further very necessary provision of three different kitchens and bath rooms &c.

9. Every effort has been made to reduce the cost of the building as far as practicable. The accompanying plan and estimate prepared under proper professional advice for a suitable building providing bare necessities with only 15 rooms at one room for three students and a Hall, with 3 kitchens &c. comes up to Rs. 25,490/-. Considering that the location of the building is to be in an important centre in Chamarajpet by the side of the Sivaganga Mutt Sanskrit College Hostel and the Sri Rameswara and Sri Ramadevaru Temple and the cost cannot be reduced below this amount, we are anxious to put up a presentable model building, to be in keeping with the surroundings and we have no doubt that the Government will be pleased to approve of the said plan and estimates.

10. We respectfully beg therefore that the ~~beging~~ Government of His Highness the Maharaja may be graciously pleased to sanction a building grant of Rs. 15,000/- to make up the estimated amount. This amount now asked for is equal to that set apart by the donor for the purpose, and will enable us to start the building and give effect to the wishes of the philanthrophic donor at a very early date.

11. We may be permitted to state that similar grants appear to have been made to the Wesleyan Mission and other Hostels. Considering that fees are recovered from the students for boarding and lodging in these institutions while the one now proposed to be built is intended to be a free boarding and lodging house to serve the poor Hindus

of

(S 16

of all communities, we have reason to hope that our request for Government help will be considered fair and reasonable.

12. It is the earnest wish of all of us to maintain the Boarding and Lodging House on up-to-date and typical lines with about a lac of rupees for its maintenance to be invested in Municipal ~~and~~ or other corporations having Government guarantee so as to give a permanency to the Institution. In case we are unable to find a body of disinterested gentlemen capable of taking over the charge of the Trust from us and continue to manage it efficiently, we wish to eventually make over the entire management of the Institution to Government mainly with the object of ensuring its permanent benefit to the poor and deserving students.

13. For these reasons we respectfully beg that our prayer may receive the generous support at the hands of Government and that the grant of Rs. 15,000/- prayed for may graciously be sanctioned at the early convenience of Government.

We beg to remain,

Sir,

Your most obedient servants,

Bangalore,

SIR,

With reference to yonr Memo No.5527/Edn.6-16 dated the 19th instant forwarding a representation for report from Messrs. Karpur Shrinivasrav, H. Ramaiya and others, Bangalore, requesting a Government grant of Rs.15,000 towards the construction of a free boarding and lodging house for the students of all Hindu communities in Chamarajapet, Bangalore City, from the charities of Mr.B.K.Mariappa, I have the honour to inform you that I inspected the site this morning and found it in every way a suitable one. The estimated cost of the building is Rs.25,490 and the cost of the site will be about - - Rs.5,000, amounting in all to Rs.30,000. The grant asked for, Rs.15000 will be about half of the total cost. The grant usually given in such cases is about a third of the total cost and according to this calculation, the amount which can be given will be Rs.10,000/-. Considering however, that about a lakh of rupees is to form as an endowment to the boarding house and that it is to be open to about 50 students belonging to all Hindu communities as a free boarding house, I am of opinion that the excess of Rs.5,000 asked for over the usual grant of Rs.10,000/- may also be sanctioned.

In this connection, I may also state that the rooms measuring

(9 21

12' x 10' each provided in the plan are too small to accommodate 3 students each. The Managers of the Charity may be asked to increase the size of the rooms to 16' x 10' and that of the dining hall to 20' x 12'.

The enclosures received with your letter are returned herewith.

I have the honour to be,
